Notes: As a requirement for graduation, all students must take six (6) units in one of the National Service Training Program (NSTP) components: Civic Welfare Training Service (CWTS), Literacy Training Service (LTS), and Reserved Officer's Training Corps Military Science (ROTC Mil SCi). These are offered by UPD. 6 units of the GE courses must satisfy Philippine Studies requirement.
*Science/Math fundamental course elective may be chosen, upon the consent of the adviser, from any Science/Math undergraduate-level course for which the prerequisite has been fulfilled. May be taken during the regular semester if not offered during the Midyear Term.
**Physics/App Physics elective may be chosen, upon the consent of the adviser, from any 100-or higher level Physics or App Physics course, except Physics 20x-level (MA Physics) course.

All students required to take Math 21 must have passed any of the following: (1) Pre-Calculus from the STEM or equivalent strand of K-12; (2) the Validation Examination for Math 20 (Pre-Calculus: Functions and their Graphs) administered by the UPD Institute of Mathematics; or (3) Math 20 as a non-credit course.
