

NIP HOSTS UNIVERSITY OF FUKUI STUDENTS OVERSEAS EDUCATION PROGRAM 2022

UNIVERSITY OF FUKUI STUDENTS WITH CONDENSED MATTER PHYSICS LABORATORY MEMBERS

Project: Memorandum of Agreement on Academic and Research Cooperation between the University of Fukui and the University of the Philippines

Host Professor: Dr. Elmer S. Estacio (CMPL)

Duration: 24 November to 23 December 2022

Visiting Students from the University of Fukui:

Keita Tominaga

Nozomi Shimono

Akihiro Izumi

Seiwa Takaichi

Sakamoto Atsuya

Students from the Research Center for Development of Far-Infrared Region of the University of Fukui (FIR-UF) visited NIP, in line with the Memorandum of Agreement between the University of Fukui and the University of the Philippines Diliman. The FIR-UF students were trained by members of the Condensed Matter Physics Laboratory in device fabrication processes, such as photolithography and metal deposition, along with terahertz time-domain spectroscopy. In addition, they also underwent English lessons and cultural immersion.
